

Ridango is a fast-growing public transport ticketing provider with a core focus on account-based ticketing, contactless payments and real-time passenger information. We help millions of people to use public transport simply and seamlessly. Ridango has been a pioneer in several ground-breaking trends in transit ticketing. Our aim is to engage the brightest tech minds to be a part of building great solutions. Come and ride with us.

INTERNSHIP TO GROW AS PHP DEVELOPER

What you will be doing:

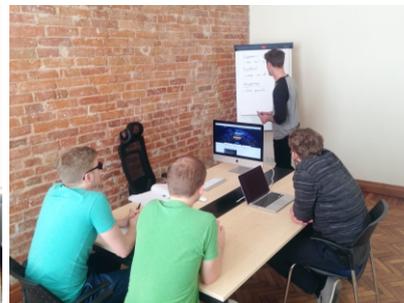

- Your main responsibility is to learn and grow as a PHP developer hand-in-hand with our senior developers and become our next top talent.
- Participate in the development of the Ridango's ticketing and real-time system's back-office solution. It is built using Laravel framework and consists of the web interface and the backend to support it.

You are welcome to apply, if you have:

- Smart and quick mind and most of all you can really THINK.
- Passion in coding in addition to a homework given at school.
- The fundamental skills for coding PHP and JavaScript. We will test it.
- Understanding of object oriented programming.
- Good communication skills and willingness to self-develop yourself.
- Wish to improve your English skills.

We offer :

- An opportunity to participate in high-impact system development with combination of hardware and software that influences millions of people in the Nordic and CEE region.
- Opportunity to grow together with an ambitious and expanding company filled with supportive and positive people. 21% of our employees have changed positions and made career internally.
- Dynamic and challenging internship in a growing international technology company.
- Passionate and experienced leaders. Company culture that empowers people and where each employee's contribution counts and is valued.
- Compensation depending on your skills, accomplishments and contribution.
- Modern work environment in city center of Tartu with free fruits, candies, coffee, tea, etc.
- Passion, fun and power to make public transportation more convenient to use.

To apply to the internship, please send your CV and motivation letter to cv@ridango.com latest **16.12.2018**
